Best in Futurity - Blackthorne Mistress of the Dark

For over 20 years my love for the Pointer has never changed. It has only grown deeper and stronger. It was an honor and a great privilege to be among my peers, judging at the 2019 APC National. I was quite pleased with the exhibits I was presented with. My entries had good type and balance. They were eager to show for their handlers. The temperament and character of the dogs was of high quality. It was a pleasure to judge each one. In Futurity and Maturity there were many young promising dogs. Overall, they presented with noble and happy dispositions. The kind one would expect from a well-bred Pointer. I witnessed numerous well defined heads and good stops. I found the hind quarters to be strong. Many had a lovely, kind eye and good expression. A correct and beautiful Pointer should be symmetrical, well built, strong, but also elegant. This elegance should be most apparent when watching the dog glide around the ring. It is glorious to see the effortless movement of a properly constructed Pointer as it reaches and drives to cover ground without hesitation. In judging and making my final decisions, I looked for dogs with clean shoulders, powerful hindquarters and a good turn of stifle. It was also important for the dog to have a well sprung rib cage and a tail carried level with the back. I am pleased to say that I found these characteristics in many of my winners on that day. I thank the American Pointer Club for the opportunity to judge. I thank the exhibitors for trusting me to judge their dogs fairly and correctly. The experience is one I will hold dear to my heart, as I do the breed itself.

Thank you, Susan London

Blackthorne Mistress of the Dark

A graceful series of curves, this bitch exuded breed type from the tip of her beautifully turned up nose to the tip of her straight, lashing, beautifully tapered tail. She covered ground smoothly and effortlessly and left no doubt in my mind she could do the job for which she was bred.

Best of Opposite in Sweepstakes
Edgehill’s ThunderDome

A beautiful typey boy, this younger was beaten on the go by a slightly older, slightly more mature bitch. I suspect he has a bright future ahead of him.

I would again like to say what an honor it was to be asked to judge the puppies of my peers. I looked forward to the task with anticipation and it did not disappoint. For me a pointer begins with the proper outline. With his head held high and his tail lashing, he maintains that outline on the move. I was pleased to find examples of the shape I believe to be correct in every class. While this could have made for a difficult decision in the end, I felt my Best in Sweeps and Best in Veterans revealed themselves to me easily and I was very proud to reward them.

Dogs 6-9 First place of seven was Wynot Let the Flame Burn Brighter. A handsome dog at both ends and in adequate mover. His shape and balance were fitting however he is more dog then I would like especially for a 6-9 puppy. A handsome dog at both ends and in adequate mover. His shape and balance were fitting however he is more dog than I would like especially for a 6-9 puppy.

9-12 Also a class of seven first went to Edgehill’s Thunderdome. A very stylish dog. Beautifully headed and a tail to match. He could use his front a little more for me, but there was no wasted movement and he maintained his beautiful outline on the go.

12-15 Tradewind’s Idle Dice, A singleton in his class, he was sound and balanced and had just the right amount of maturity for his age.

15-18 Quail Hollow N Seagate’s Start of Something Good. A lovely headed dog with a good tail and enough depth of body. He could have covered more ground moving but I was pleased to give him his class of three.

Bitches 6-9 A class of six, first place was Quail Hollow Ciao Bella. This was one of my tougher decisions, as second-place, Southern Springpoint What You See is What You Get, was a little better trained and perhaps moved a little better. But I decided on a headpiece I liked better and an outline that had a little more leg, as second place was longer in shape.

9-12 A class of eight, just like the previous class presented itself with a difficult decision between first and second. First went to Avalon’s I Love You More and Second was Monarch Laurent You Were Always On My Mind. Both bitches were of nice type and good movers, but again first place went to the bitch with more leg as second-place was longer in body.

12-15 This class was one by Blackthorne mistress of the dark. A solid black bitch with a beautiful head, lovely tale, graceful outline and smooth ground covering movement. She won her class of three easily.
Veteran Sweepstakes Dogs
7-10 A class of 5, first went to GCH Bookstor Willy Wonka JH. He edged out second place on his shape and carriage. Second place GCHS Springpoint New Moon Rising JHA is a lovely dog also, covered more ground but is shorter and longer in outline then I would prefer.
10 & Over First out of 2 was GCHP Pinpoint In Dress Blues, A pretty dog who got around the ring fantastically especially for 11.5 years old.

Veteran Sweepstakes Bitches
7-10 With 12 in the class, first place went to a beautiful bitch, CH Edgehill’s Hot Toddle. A good mover, she had a lovely head, her tail could have been better if it had been straighter. Second Place was Perryglenn’s Betty Boop. A little Skirtier, but the best mover of the bunch by far.
10 & over Winning the class of 4 was CH. Brackenmoor Abbey Road JH. At 11 years old she didn’t get around the ring as second place, but her head, tail and outline were not to be denied.

Best in Veteran Sweepstakes
GCH Bookstor Willy Wonka JH
This dog commanded the ring with his style and arrogance as only a Pointer can. He was not to be denied on that day.

Best of Opposite Veteran Sweepstakes
CH Edgehill’s Hot Toddle
Both lovely in over all type and good movers, the bitch lost only on a slightly inferior tail.
